

My name is Wayne Blakely. I lived in the LGBT+ culture for nearly forty years. I grew up in the Adventist church with "Same-sex attraction." The church clearly pointed out that "homosexuality" is sin. Today,... many are not so sure of that.

The question no one asked was; "What is Jesus asking of me?"

While it is a somewhat difficult and sensitive conversation, it's long overdue.

Forty years of my parent's prayers led me to encounter Jesus one on one.

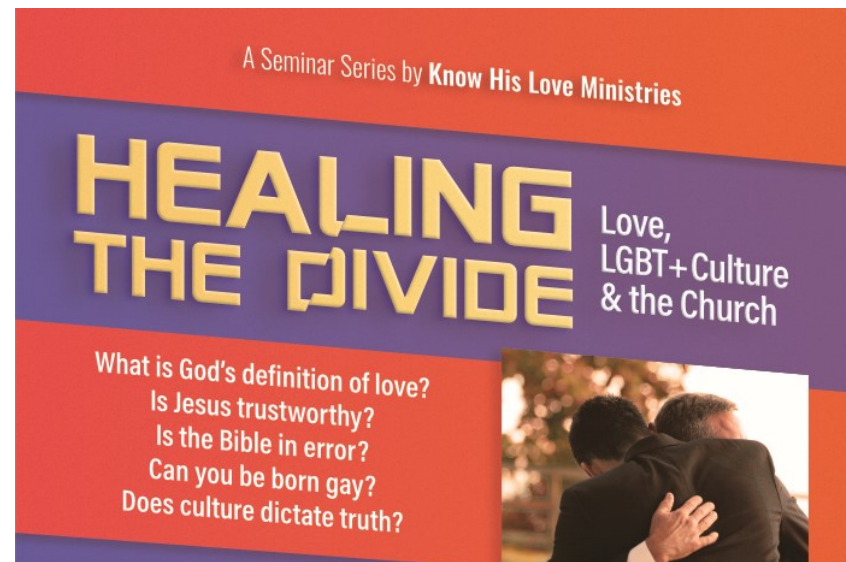

I personally invite you to spend Saturday, January 25 with me as I share what God revealed to me. At 9:30 AM I will share my testimony; "Born That Way." At 11:00 AM, I will present, "Shaken To The Foundation." And at 2:30 PM, I will screen the documentary "Journey Interrupted." Afterward I want you to ask the questions that have long been on your heart. You deserve answers. I don't have all of them, but I will always point you to the one who does.
