A ministry of the Grants Pass Seventh-day Adventist Church

Nondiscrimination Policy

The Seventh-day Adventist church believes that all people have been created in the image of God and are the object of God's special care. The Grants Pass Seventh-day Adventist church and by extension our Dorcas Community Services program believes that each person should therefore be treated with respect and dignity no matter what their race, age, disability, sex, sexual orientation, gender identity and/or religion in regard to admission, participation, or receipt of the services and benefits provided by Dorcas Community Services.

No person will be denied access to services who shows reciprocal respect to our staff and clients. While it is our goal to provide these services to our clients in a safe and welcoming environment, we reserve the right to refuse service to those who are disrespecting the rights of others and are creating an unsafe environment to our staff and clients through their actions.

This statement is in accordance with the provisions of Title VI of the Civil Rights Acts of 1964 (nondiscrimination on the basis of race, color, national origin), Section 504 of the Rehabilitation Act of 1973 (nondiscrimination on the basis of disability), the Age Discrimination Act of 1975 (nondiscrimination on the basis of age), and Oregon Civil Rights Laws.
